ERSTE WWF STOCK ENVIRONMENT

Global equity fund focusing on the environmental technology industry

Investment Policy

The ERSTE WWF STOCK ENVIRONMENT invests worldwide primarily in companies in the field of environmental technology. The investment process of the fund is based on fundamental company analysis. The fund focuses on companies in which an environmental benefit could be identified and which are primarily active in the areas of water treatment and -supply, recycling and waste management, renewable energy, energy-efficiency and mobility. A hedge against foreign currency risks is generally not provided is possible. Since October 2006, a cooperation exists between Erste Asset Management and WWF (World Wide Fund for Nature) and the fund management is supported by an environmental advisory board, initiated by WWF. At the same time, Erste Asset Management donates part of the management fee to the fund. A measurable positive impact on the environment and society is paramount in the investment decision making.

Please note that investing in securities also involves risks besides the opportunities described.

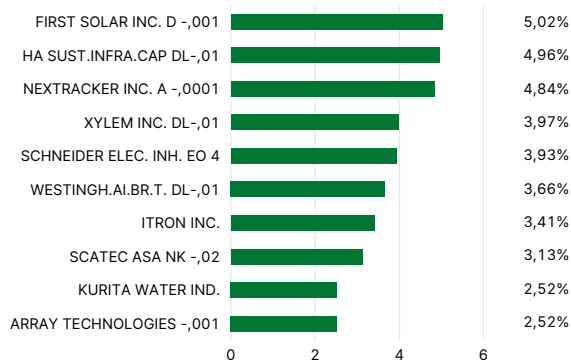

The fund employs an active investment policy and is not oriented towards a benchmark. The assets are selected on a discretionary basis and the scope of discretion of the management company is not limited.

For further information on the sustainable focus of ERSTE WWF STOCK ENVIRONMENT as well as on the disclosures in accordance with the Disclosure Regulation (Regulation (EU) 2019/2088) and the Taxonomy Regulation (Regulation (EU) 2020/852), please refer to the current Prospectus, section 12 and the Annex "Sustainability Principles". In deciding to invest in ERSTE WWF STOCK ENVIRONMENT, consideration should be given to any characteristics or objectives of the ERSTE WWF STOCK ENVIRONMENT as described in the Fund Documents.
