Please refer to the prospectus and to the PRIIPs KID or UCITS KIID as appropriate for your relevant jurisdiction before making any final investment decisions. By focusing its investments in Japan, the fund will have greater exposure to the market, political and economic risks of that country than if it was more diversified across a number of countries. Sustainability information from investee companies and third-party data providers may be incomplete, inaccurate or unavailable. As a result, there is a risk that we may incorrectly assess a security or issuer, resulting in the incorrect inclusion or exclusion of a security in the portfolio. The fund is a sub-fund of Nomura Funds Ireland plc, which is authorised by the Central Bank of Ireland as an open-ended umbrella investment company with variable capital and segregated liability between its sub-funds, established as an undertaking for Collective Investment in Transferable Securities under the European Communities (Undertakings for Collective Investment in Transferable Securities) Regulations 2011. The UCITS fund is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation. A summary of investor rights in English and information on collective redress mechanisms are available at www.nomura-asset.co.uk/download/funds/how-to-invest/Summary_of_investor_rights.pdf. NAM UK may at any time decide to terminate arrangements it may have made for the marketing of units of a fund in a member state other than its home member state. The EU Sustainable Finance Disclosure Regulation ("SFDR") entered into force on 10 March 2021. SFDR requires firms to better inform end-investors with regard to the integration of sustainability risks, the consideration of adverse sustainability impacts, the promotion of environmental or social characteristics, and sustainable investment, as applicable. Disclosure of the above for Nomura Funds Ireland and its individual sub-funds can be found in the prospectus. This fund is an Article 8 fund under SFDR.
